

IKASLAN

**ASSOCIATION OF PUBLIC
VOCATIONAL COLLEGES
FROM THE BASQUE
COUNTRY**

- IKASLAN activity focus on initial vocational education and (continuing) training for workers as well as educational and occupational schemes for unemployed persons and workers threatened with unemployment.

- IKASLAN objective is to promote the personal and occupational development of the persons enrolled in our courses, by means of high-quality education and training provision. Educational provision is oriented towards the actual demands of the labour market and it also provides orientation in a world in motion.

The high level of our courses is maintained by means of an internal quality management system, continual further training of employees and a transnational transfer of know-how.
